COURSE OFFERING

BEGINNER'S

Fast track yourself to success, all you need is vision, creativity and an enthusiasm to learn

SALON FOUNDATION CUTTING

This motivating course for all levels focuses on strengthening cutting techniques, building confidence and knowledge and empowering you with the skills needed to create a busy clientele.

SALON FOUNDATION COLOURING

Designed for all levels, this course will guide you through a variety of colour application skills and sectioning patterns, including our Fundamentals, Precision, Transient and Creative Classic techniques. It will also help you to build the confidence needed to tackle any salon situation.

CREATIVE CUT & COLOUR

Developed to open your mind to new ideas and approaches, this course addresses fashion trends in hair and is the perfect vehicle for learning forward-thinking techniques taught by the International Artistic Team. Available in cutting, colouring or cut and colour disciplines.

MASTER HIGHLIGHTING

From beginners to experienced Technicians, and everyone in between, this course will guide you through the signature TONI&GUY Highlighting techniques that can be tailored to various hair textures for softness or definition.

BALAYAGE & BLEND

This course is a 'must try' for any level of Colourist. It guarantees to deliver unrivalled knowledge and application, including blending, contouring and strobing on varying lengths of hair.

BEGINNER'S BARBERING

This new 12-week course will teach you barbering basics and finish off with advanced men's haircuts and styling. We will also cover scissor cuts, skin fading, razor touch ups, wet shaving, beard trimming and much more. Be prepared to learn from some of the masters in this area.

CREATIVE MEN'S

Multi-award winners of British Hairdressing Awards Men's Hairdresser of the Year, learn advanced men's hairdressing techniques from some of the best in the category! Gain insight into how the team bridges the gap between men's fashion and hairstyles – incorporating trends found in music, acting and street style and of course, how to translate these into wearable looks.

FASHION FIX

Exciting new course offering you the skills to create fashion-led hair ups. From top knots to fishtails you will learn 10 on trend looks that your clients will love. Created by the International Art Team and inspired by London Fashion Week, this is a perfect introduction to the more advanced Session and Editorial.

SESSION & EDITORIAL

Are you excited by fashion and the world of editorial? If so, then who better to teach you the art of editorial hair, then the 'Official Sponsors of London Fashion Week'? Drawing upon the experience of our Session Team who work on 80 London Fashion Week shows a year, this flexible course will take you from the fundamentals through to creative freedom.

BESPOKE

With more than 50 years of experience as hairdressing educators we have a wealth of knowledge to share, so if you can't decide which course is for you – BESPOKE is the answer. Over three days you can sample highlights from any three of our four most popular courses - Salon Foundation Cutting, Creative Cut & Colour, Session & Editorial and Creative Men's.

AVANT GARDE

A unique, advanced course taught by our multi award-winning Avant Garde team. It focuses on creative expression and experimentation. The team will take you through TONI&GUY's journey of this specialism and share techniques developed through years of experience. From the fundamentals, through to the complexity of creating bespoke hairpieces for stage or photographic work, you are guaranteed to be inspired.
